

2015 Textbook Sponsorships

Thank you for considering a textbook sponsorship to Grace Christian School. Your tax deductible gift of classroom textbooks and resources will be treasured for many years.

In the fall of 2013, GCS first opened doors to welcome 34 students. In the fall of 2014, our student count grew to 68 students. We are excited to share at this time, in 2015, we will welcome 85 students. We are so pleased to provide a quality Christian education to so many middle and high school students. Glory to God!

In an effort to accommodate our rapid growth as well as the addition of our senior class, the following textbooks are needed. We appreciate your dedication and support to our school. Once the textbooks arrive, you will be invited to a community appreciation event where you may preview all purchased texts and tour our school. All textbooks are the Virginia edition provided by Houghton, Mifflin, and Harcourt Publishing Company unless otherwise noted.
