

GRACE CHRISTIAN SCHOOL

APPLICATION PROCESS

1

Schedule a School Tour

Families interested in applying to Grace Christian School should contact the main office to schedule a tour with the principal. Students are not required to attend. During this time, parents will have the opportunity to tour the facility, learn more about the academic programs offered, and share information about their child.

2

Schedule a Shadow Day

Shadow days are a great way for prospective students to experience Grace Christian School and spend time getting to know us. Visiting students will spend a day with a GCS student who will serve as their guide. During the shadow experience, visiting students will have the opportunity to visit academic and elective classes.

3

Complete Student Application and Required Documents

In order for a student application to be complete, the following must be submitted to the administrative office: Completed and signed application; non-refundable application fee; transcript from current school year; two letters of recommendation; a family letter of Christian Life.

4

Student Testing

A prospective student must complete academic testing at Grace Christian School. Testing is administered in math, reading, writing, and Spanish. Testing results will be shared with parents.
