	<p><i>Who are you now? Essentially, you are the sum of the choices that you've made. Who are you today? You're a result of the choices that you've made in the past and the choices are parents have made for you. Who will you be tomorrow? Essentially, the decisions that you're making today will determine who you become and what you're able to do tomorrow. Here is the point: Your choices really do matter. You are the result of your decisions.</i></p> <p><i>This three-part message series examines stories from the Bible that will help us learn to be intentional about the choices we make.</i></p>
